ANCESTRAL SEEDS

We made an alliance with chefs to promote the use of ancestral species in danger of genetic and / or cultural extinction.

CHEF'S USAGE OF ANCESTRAL SEEDS
BEFORE/AFTER THE CAMPAIGN.

WE PUBLISHED A RECIPE BOOK FOR ANCESTRAL SEEDS WHERE WE ALSO SHARED CULTIVATION TIPS.

Download it here: www.redsemillas.org/semillas-ancestrales

COMING NEXT

We'll build alliances with knowledge-keepers of traditional foods and work on the cultural memory of food.

SOCIAL ADVOCACY

We promote changes in consumer habits through educational publications on social networks and our Allpa magazine. We seek to articulate an informed and active citizenry that defends their rights and builds the change towards regenerative models of production, commercialization and consumption. We influence public policies in favor of Food Sovereignty.
